MOHAMMED SAMEER AHMED

Hyderabad, India | P: +91-8801645871 | E: sameerahmed976@gmail.com

Objective

Highly motivated and detail-oriented **React Developer, Full Stack MERN Developer** with a strong foundation in web development and a passion for creating user-friendly and efficient applications. Seeking an entry-level position to leverage theoretical knowledge and practical skills gained through self-study and personal projects. Committed to continuous learning and staying updated with the latest technologies and industry trends.

Technical Experience

- **Front-End:** HTML, CSS, JavaScript, React.js, Redux, Bootstrap
- **Back-End:** Node.js, Express.js, MongoDB, Mongoose, RESTful APIs, JWT
- **Tools and Utilities:** Git, GitHub, VS Code, Postman

Certification and Personal Projects

- The Complete 2023 Web Development Bootcamp (2022-2023) Online Course - Udemy
- Click Here for Live Demo, Personal Portfolio Website and other Projects
- Click Here for GitHub code and repository

Key Skills

Front-End Development:

- Proficient in HTML, CSS, JavaScript, and modern front-end frameworks such as React.js
- Experience with responsive web design and cross-browser compatibility
- Knowledge of UI/UX best practices and user-centered design principles. Familiarity with front-end build tools (Webpack, Babel) and version control systems (Git)

Back-End Development:

- Strong understanding of server-side programming with Node.js and Express.js
- Experience with RESTful API development and integration. Database management using MongoDB and proficiency in NoSQL databases
- Authentication and authorization implementation using JSON Web Tokens (JWT)

Full Stack Development:

- Integration of front-end and back-end components to build functional web applications
- Experience with the MERN stack (MongoDB, Express.js, React.js, Node.js)
- Familiarity with redux and state management libraries for efficient API development

Additional Skills:

- Understanding of software development principles, Git workflow
- Strong problem-solving and analytical skills
- Excellent communication and collaboration abilities
- Quick learner with a passion for expanding technical knowledge

Education

Bachelor in Electrical & Electronics Engineering from JNTU, Hyderabad.
Academic Year - 2018 and Percentage: 63.64
Intermediate from Narayana Junior College, Hyderabad. Academic Year - 2014 and Percentage: 91.9
Secondary School from ICFAI Republic School Hyderabad. Academic Year - 2012 and Grade Points: 8.5

Previous Experience

- **Worked as a Hardware and Embedded Engineer**   07/ 2019 – Present
